Mini Indulgence

The whole concept of the Mini Indulgence is just that,
Indulgence, in a smaller portion size.
These Desserts are designed to feature high-impact flavours, and top
quality ingredients, such as 70% Belgian Chocolate Mousse.

We make the real thing....dessert....in all its decadence,
and then we put it into a shot-size glass.
So you get to have all of the pleasure with none of the guilt.

Along with the chance to try more than one in a visit.
